COLLEGE OF ENGINEERING ROORKEE

GOVERNING BODY

Board of Governors of the College meets twice in a year to discuss about the growth and overall development of the college. The main aim of the Governing Body is to decide the overall strategic plans, academics goals, vision of the College and ensure its overall well-being. Governing body considers the recommendations of Internal Quality Assurance Cell (IQAC) and it follows direction to achieve the goals of the college. The Governors are responsible for:

- Reviewing the institutional functioning and activities in accordance with the mission of the college
- Providing direction to the organization. The board has a strategic function in adhering to the vision, mission and goals of the organization.
- Ensuring that public money is spent appropriately and the College continues to be financially solvent
- Approving annual estimates of income and expenditure
- Recruitment, supervision, retainment, evaluation and dismissal of principal, faculty and administration, the clerk, and other senior posts
- Setting up a financial framework and work related policies for all college employees.
