PLACEMENT NOTICE

Virtual Recruitment drive by KELLTON TECH

KELLTON TECH

FOR B.Tech(CS/IT) for 2022 Passout

Name of Company: **KELLTON TECH**

Website: www.kelltontech.com

Kellton Tech is a public listed, CMMi Level 5 certified organization that aims to be one of the fastest emerging IT services company in India. The company plans for an exponential growth both through an organic and inorganic means over the next two years. Company today has presence in **US, EMEA** and **Asia**. We have development centers in **Gurgaon, Hyderabad**, and the **US**. We have at present major focus on **Microsoft Technologies, Enterprise Consumer Mobile Application Solutions** and **Open-Source Solutions**. We are also into Internet of Things (IoT), ERP, Big Data and Cloud computing.

Job Description:

Kellton Tech prides itself on delivering efficient, effective solutions across a wide range of industries. The key to our success is largely dependent on the stellar ability of building our freshers team. We're currently searching for intelligent, smart, and dynamic individuals to join our ranks and continue our tradition of success. The ideal candidate will have a sharp mind and ability of problem solving with the desire to learn technologies.

Training Curriculum:

We will train each individual for 6 months on industry standards and practices which includes rigorous classroom sessions along with Hands-on training on live projects, so as to make every individual ready to face the challenge and progress towards growth. The candidate would be assessed closely for performance and attitude and this would determine the project assignments.
